

## **15: Certification**

**Item 15 must be completed on the form itself.**

Individuals acting in a private capacity are required to date and sign NRH Form 5. Otherwise, representatives of the corporation or legal entity filing the application should date and sign NRH Form 5. Representatives signing an application must be authorized to make binding commitments and to sign official documents on behalf of the applicant. As discussed previously in "Management Responsibility," signing the application acknowledges management's commitment and responsibilities for the radiation protection program. The Agency will return all unsigned applications for proper signature.
